Dear Parents and Carers,

Operational Plan

Our operational plan can now be found at www.thechildrenshouse.org.uk/parents/reopening This comprehensive document details how we will approach reopening and operations for the foreseeable future. It is summarised in our 'Seven Steps to Safety' and underpinned by our risk assessments. We welcome any feedback on this.

More about Me sheet

We are currently finalising a *Welcome back* pack which will be available shortly. In the meantime, you might want to download and complete a *More about Me* sheet for your child/ren which will help transition back into nursery. It is available at www.thechildrenshouse.org.uk/parents/reopening This provides an opportunity to share any of your child's and family's recent experiences and developments and will help your child's keyperson to understand any individual concerns and discussion points. If you would like a hard copy posting, please let us know.

Communications

We will continue to communicate with parent/carers by email. We are aware that these emails sometimes go into junk folders of email accounts. We will also post these letters on our Facebook page at www.facebook.com/thechildrenshousestallingborough and add them to our website, so please do check for recent letters on www.thechildrenshouse.org.uk/parents/reopening

Thanks, as ever for your continued support. We look forward to seeing you again soon,

Yours faithfully
